

Lower Columbia Amateur Radio Association Notes of the Activity Meeting of Sep 2, 2015.

HF Night

We talked about the logging computers and using the Wi Fi with them.

October 26 – 28 will be the next coffee stop fundraiser. Start signing up for it.

Still need to get WinLink and WinMor on the computers so we can do digital modes.

We visited the rest of the evening. Started leaving about 8:18pm.

Attendance: 7

Respectfully submitted by:

Rick Ouzts, WA7NWN, Secretary.
